2023 Annual Conference Co-Chair

Joseph G. Aubourg, DTM

Welcome everyone to the 2023 Spring Toastmasters 46 District Conference, my name is Joseph Aubourg. I am the Co-Chair of this year's Annual Conference. I would like to welcome you to this year's Annual Conference.

In keeping with the Conference theme "Stepping Up and Fired; Fortifying Leaders and Speakers" You are going on a wild adventure with this Conference with all of the events that are planned and with some surprises.

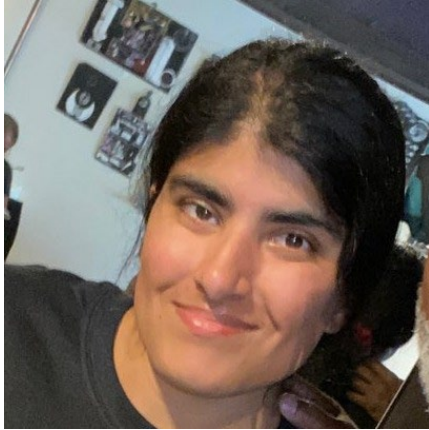

Attend this conference to reconnect with old Toastmasters, befriend and network with new Toastmasters and exchange information and ideas with one another. As the song by Aretha Franklin and George Michael says,

"I knew you were waiting for me. When the river was deep, I didn't falter. When the mountain was high, I still believed. When the valley was low, it didn't stop me. No, no, no! I knew you were waiting; I knew you were waiting for me."

District 46 Toastmasters and Toastmasters all over the world are here for you. We are one big happy family.

Enjoy this year's Conference,
Joseph G. Aubourg, DTM
Co-Conference Chair

2023 Annual Conference Co-Chair

Maya Bahl, DL5, IP5

Greetings!

It's another year, and another change as I Welcome You to our second hybrid 2023 Annual Toastmasters 46 District Conference, my name is Maya Bahl, and along with Joseph Aubourg as a co-chair, we hope this conference will have meaning to you!

This year, we have **stepped up** and have been on **fire** for our clubs and for ourselves in being the best that we can be. Our Wonderful District Leaders have done and are doing good to make District 46 **Fortified**, and we commend them for their tireless and great achievements!! We also want to acknowledge our leaders within this conference who are **fortifying connection and communication**--from our educational panels to social media outreach, and finally to our greatest strength of all--being able to connect through networking with others!

Former President John F. Kennedy's immortal words of "*Ask not what your country can do for you, ask what you can do for your country*" has resonance more than ever as we are stepping out with a brighter vision in mind. Keep going with the fire that is within all of us and continue to connect with others -- as your own story would be so much richer in the end!!

Toasting to You,
Maya Bahl, DL5 and IP5

Dear Friends:

It gives me great pleasure to welcome everyone as Toastmasters International's District 46 hosts its annual Spring conference.

Established in 1924, Toastmasters International is guided by its mission to help people of all backgrounds improve their public speaking skills. The organization now boasts more than 14,700 clubs in 144 countries. Its District 46 facilitates clubs across the five boroughs and Westchester and advances their efforts to equip New Yorkers with the skills they need to communicate more confidently and effectively. Following the theme "Stepping Up and Fired Up: Fortified Leaders and Speakers," today's hybrid conference will feature workshops on mental health, inclusion, disability, and professional speaking. As club members unite in person and online to share knowledge and network, I applaud District 46 for its efforts to amplify the voices of our diverse Toastmasters community. I look forward to the continued contributions of everyone gathered as we take bold steps to #GetStuffDone and forge a brighter, fairer, and more prosperous future for all.

On behalf of the City of New York, please accept my best wishes for an inspiring and productive conference and further success.

Sincerely,

Members of District 46,

Welcome to your District conference – “Stepping up and Fired up: Fortified Leaders and Speakers.”

A District conference presents a tremendous opportunity for you to extend your Toastmasters’ experience. Attending a Toastmasters District conference is a great way to learn, grow, and connect with others who are passionate about public speaking and leadership development.

I attended my first District conference in the first half of 2006. Those 3 days altered my view of Toastmasters, as it truly opened me up to the diversity of our members - and their goals. I learned lessons that weekend that have helped shape me into who I am today. I started asking “what if” more?

For centuries humanity has looked to the skies and said, “what if we could...?”

What if we could stop migrating with the seasons? They invented agriculture.

What if we could stay safe and warm at night? They learned to control fire.

What if we could move things in an easier manner? They invented the wheel.

What is your “what if?” Are you exploring it? The District conference is a great way to do so. It was at a District conference where I had the first glimpse of my goal to become your International President. It was at a District conference where many World Champions of Public Speaking said, “what if?”

Share your goals with your fellow attendees, learn from those around you, and share your experience as an inspiration to those on their own journey.

Most importantly, have fun! Dr. Ralph Smedley, our founder, said that “we learn best in moments of enjoyment.”

I wish you the best as you attend your District conference and encourage you to take full advantage of the many opportunities you have to learn, grow, and ask “what if?”

In celebration,

A handwritten signature in cursive script that reads "Matthew A. Kinsey".

Matt Kinsey, DTM
2022-2023 International President

Dear Fellow Toastmasters and guests in District 46,

Katy Perry sang about being “resilient, born to be brilliant”. Your members, clubs and District have shown their resilience as they battled through the pandemic, learning new ways of holding meetings, training events, contests, and conferences. You have dared to be brilliant as you embraced all things hybrid.

The District 46 leadership team has stepped up and shown strong leadership by giving you, the members, an opportunity to enjoy just being together in person or online at the D46 hybrid conference.

Your contestants are fired up and ready to wow you and entertain you in person or online.

BE THERE to support them, to recognise their efforts and to cheer them on.

My Word of the Day for this conference is “SMILE” because when you are smiling “the whole world smiles with you.” It’s time for us to smile again, to light up our faces with gladness and together we will “find that life is still worthwhile” if we just smile.

I would like to recognise the hard work and commitment that your District leaders and conference team have put in over the last year to bring you a hybrid conference experience that you will remember for many years.

Wishing everyone a happy, smiling, brilliant conference.

Patricia O'Reilly, DTM
Region 9 Advisor 2021-2023

DISTRICT DIRECTOR MESSAGE

Dear Fellow Toastmasters and Distinguished Guests,

Greetings! I hope each of you are ready to **Step Up, Fired Up to be Fortified Leaders and Speakers!** This is our 2nd District Hybrid Conference and our Program Quality Director Dora Maria Abreu, DTM and Conference Co-Chairs Maya Bahl, IP5 and Joseph Aubourg, DTM have prepared an excellent program with a twist. Instead of the traditional education sessions, they are presenting two panels to create a more engaging meeting. Our Keynote Speaker, Professor Cokley, Ph.D., is an accomplished author, researcher and professor hailing from the University of Michigan. Rounding out this program will be our Tall Tales and International Speech Contests.

These past 3 years have been an exciting and wonderful Journey for me as part of the Trio leading the District. My Trio leadership journey began shortly after the beginning of our World Pandemic. As we transitioned from onsite to online, Corporate, Community and Specialty Clubs all had unique challenges. But together we **fortified** each other, **communicated** strategies, and **connected** for success. Afterall, we're **Toastmasters!**

As Club Growth Director, we celebrated Club Anniversaries and Open House events; 4 clubs were Chartered that are still thriving today! We found ways to meet and engage in our individual "Hollywood Squares" on zoom meetings. Club Quality was taken to an entirely different level. We **stepped up** and were **fired up** to lead!

The following year as Program Quality Director, we had special guest like Pres Vasilev (2013) and Verity Price (2021) both World Champion of Public Speaking; and rounded it out with Past International President Mohammed Murad, DTM at our 1st hybrid Annual Conference.

As District Director I wanted connect with each of you to listen to your concerns, answer your questions and **fortify** each of you in your Toastmasters Journey. My wish is that our 2023 Annual Conference will ignite in each of you the desire to **Step Up, Fired Up to be Fortified Leaders and Speakers.**

Wishing you all the best for a successful and blessed future,
Evelyn Marrero, DTM
District 46 Director 2022-2023

PROGRAM QUALITY DIRECTOR MESSAGE

Dora Maria Abreu, DTM

Dear Fellow Toastmasters and Distinguished Guests,

This Toastmaster Journey has been an encouraging one as it built on my leadership and communication skills in areas I didn't see coming and definitely upskilling me. For me it was a 10-year journey to get my DTM and then getting it when COVID arrived - I didn't really feel that I had it. Well, that is how it felt not being able to do that DTM tunnel!

My response to COVID was **stepping up** and getting **fired up**! From Division Director to TLI Dean to PQD in my most recent roles; I learned of the grit built within me. The grit this District is built with. I am honored to serve in this District for all of you and I know that together we will continue to reach great heights before this Toastmaster Year is out.

As the year comes to a close, let's celebrate our accomplishments and everything that has been a lesson along the way. It is what shapes us all.

Wishing you all much success on your leadership and communication journeys,
Dora Maria Abreu, DTM
2022-2023 Program Quality Director

CLUB GROWTH DIRECTOR MESSAGE

GEORGE J. RIVERA, DTM

Dear fellow Toastmasters,

I want to take this opportunity to express my deepest appreciation for your unwavering support and dedication to our shared goal of making our district stronger together. As the Club Growth Director throughout 2022-2023, I have had the pleasure of witnessing firsthand the tremendous growth and development of our members and district leaders.

Our district is comprised of leaders that have demonstrated remarkable adaptability, creativity, and solution-focused thinking in tackling the challenges we have faced throughout the year. Your time and dedication to District 46 have not gone unnoticed, and I want to personally thank each and every one of you for your contributions.

Today let us celebrate our achievements and continue to work together to finish the Toastmaster year strong. With less than 2 months remaining there is still time to help our district become distinguished once again.

Lastly, it has been an honor and privilege to serve you as Club Growth Director, and I want to encourage you to continue sharing your ideas and feedback to help us retain members and grow new clubs. I am committed to working alongside you to ensure that District 46 remains a strong and supportive community for all Toastmasters.

Thank you for your continued support and dedication.

With appreciation and in service,
George J. Rivera, DTM
