ISAAC NEWTON

Greetings Fellow Toastmasters,

This has been a wonderful journey, I learned so much and I hope that each of you learned something from me or the programs that I helped initiate. We entered the Toastmaster TI Year 2022-2023 with great hopes of becoming Smedley Distinguished. As your District Director I was keenly aware of the challenges that we were going to face as we slowly emerged from our Global Pandemic. My ultimate goal was to leave this District in a better position than it had been in several years. It was time to conduct a Moments of Truth for our District.

Did we have clubs that were non-active but reluctantly rotating 8 members just for the sake of keeping the Charter alive? Were the clubs getting the support and tools they needed to achieve quality meetings? Were our members achieving their goals moving forward as better communicators and leaders? Were the leaders of the District holding true to the core values of Toastmasters: Respect, Integrity, Service and Excellence? Finally, were each of US keeping to our Toastmaster promise, did we even remember it?

These were tough questions, and the answers were not easy or pleasant. We didn't make it to Smedley Distinguished, in fact the District has not been Distinguished since 2016-2017, six years ago. During our 2022-2023 TI Year we needed to finish with 108 paid clubs, we were short 10, we ended the year with 98 paid clubs. We needed to finish the year with 4,301 payments, we were short 263 payments, we ended the year with 4,038 payments. We needed 44 clubs to finish the year Distinguished or better, we were short 12 clubs, we ended the year with 32 Distinguished clubs.

This may seem dismal to some, but I guess I'm a 'half-glass full' kind of person. I see clubs with members that are serious about achieving goals and have accomplished so much in the last TI Year. Yes, we lost some clubs, but we gained 5 new clubs that are progressing with Mentors and support to exceed even their own expectations. **I see 12 clubs that earned Distinguished, 10 clubs that earned Select Distinguished and 10 more clubs that earned President's Distinguished,** as well as a Silver Gavel Club! There were so many achievements and accomplishments during the year, and I am proud of each of you.

Having completed my term as District Director I am confident that the foundation that has been put in place will allow District 46 to emerge Distinguished and beyond in the future. My hope is that the members of the District collaborate with each other and in keeping with the core values of Toastmasters International work toward the success of all members.

Wishing you all the best for years to come, blessings to you all.

Evelyn Marrero, DTM

Immediate Past District Director 2023-2024
