Kenny Osorio - Public Administration Specialist and Data Annotation Expert

Kenny Osorio is a passionate and driven professional with a strong foundation in public administration and data annotation. With a Post Master's Certificate in Advanced Public Administration from West Chester University and a Master's in Public Administration from Augusta University, Kenny combines academic excellence with practical, hands-on experience to deliver impactful results in diverse settings.

Professional Experience:

- Artificial Intelligence Annotator at Snorkel AI (Oct 2024 - Present): Kenny meticulously reviews and annotates data to optimize machine learning training datasets, implementing advanced labeling techniques to ensure data accuracy and relevance. His commitment to detail and collaborative approach enhance the quality and effectiveness of AI-driven projects.

- Uber Driver (Aug 2023 - Present): Demonstrates dedication to customer satisfaction by delivering exceptional service and adhering to safe driving practices. Kenny's ability to manage tasks efficiently and navigate complex routes contributes to a high-quality client experience.

- Intern at United States Office of Personnel and Management (Aug 2024 - Jan 2025): Actively participated in team meetings, offered insightful contributions to project discussions, and provided administrative support to streamline office operations and enhance efficiency.

- Intern at City of Harlem (Jan 2021 - May 2021): Led research initiatives and facilitated community engagement projects to promote local awareness and strengthen community relations. Kenny's analytical skills helped extract meaningful insights from complex data sets to inform strategic decisions.

- Intern at Office of United States Senator Saxby Chambliss (May 2014 - Aug 2014): Supported legislative initiatives through policy research and stakeholder engagement, contributing to the successful coordination of advocacy activities.

Core Competencies:

- Strategic Planning and Analysis: Skilled in data-driven decision-making and implementing strategic initiatives to optimize performance.

- Data Annotation and AI Training: Proficient in annotating and organizing data to improve machine learning applications.

- Community Engagement and Advocacy: Experienced in fostering positive relationships and driving community-focused projects.

- Project Coordination: Proven ability to manage tasks effectively, prioritize workloads, and maintain efficiency in diverse roles.

Educational Background:

- Post Master's Certificate in Advanced Public Administration, West Chester University of Pennsylvania (2021-2024)

- Master's in Public Administration, Augusta University (2019-2021)

- Certificate in Public Management, Texas A&M University (2019-2021)

Personal Philosophy: Kenny believes in the power of dedication, collaboration, and continuous learning. Whether working on public administration projects or annotating data for AI applications, he strives to make a positive impact through commitment and innovation. Kenny's ability to adapt to new challenges and his passion for community building reflect his dedication to personal and professional growth.
